

Dear Liberty Students and Families,

Edward Mealy will be retiring this month, and I know how much we will all miss him. His passion for education has been an inspiration to students and staff alike, and his vision and guidance have made Liberty Traditional the excellent school it is today.

As the incoming principal, I know that, thanks to Mr. Mealy's devotion to learning, the bar has been set very high. I am excited about all the things we can accomplish at Liberty in the years ahead, and by the great future we can create for our students.

Everyone at Liberty wishes Mr. Mealy a wonderful retirement, and the greatest success in whatever causes and projects the next phase of his life brings.

Sincerely,
Oscar Romero

LIBERTY
