

Welcome to Kindergarten

Kindergarten Jump Start Summer School

Liberty Traditional Saddleback is excited to once again offer our Kindergarten Jump Start Summer School program. This program is offered to registered Kindergarteners that will be attending LTS this coming 2023/24 school year. LTS Kinder Camp is free of charge! We are excited to have your child join us from July 15 to July 19, 2024 from 8:30am to 12:00pm Monday - Friday.

What is Jump Start?

Jump Start is a way to help children and their families begin school readiness and be excited about learning. It is a one-week experience for new kindergarteners to become familiar with our school building, staff, and typical school-day activities and practices. Jump Start helps young children experience joyful learning, learn school readiness behaviors, and become more comfortable with the school environment. Jump Start helps teachers get to know students better and assess students' skills and strengths.

LTS looks forward in working with you this school year. LTS has implemented an important new procedure for the safety of your child(s).

- **Student Drop Off**- Parents will bring student to the main entrance door, however; we ask the parents leave as soon as you see your child(s) is doing well.
- **Pick-up Procedures**- Parents will drive up and wait in your vehicle. A staff member will bring your child(s) to your vehicle once the program has ended.
